

REVISION -A'

[DATED - 6th August 2026]

Spatial Planning updated as per requirements

Rep. as	Description
	COLUMN
	WALL MASONRY / WINDOW OPENING

DESIGN STRATEGIST'S NOTE

- This drawing represents the schematic spatial planning and functional workflow for the kitchen, serving counter, and dining areas and is intended solely for design discussion and planning purposes.

- The wall layouts, masonry configuration, openings, ventilators, and other architectural elements indicated are schematic only and shall be finalized during the detailed architectural and wall masonry drawing stage after approval of the spatial planning.
